- failure to ensure sufficient certainty that the scheme would be delivered.

#### 180. Bank Account Signatories

Members considered a report which sought approval for a change to the list of officers authorised to sign cheques and sanction banking instruments on behalf of the Council, in order to bring up to date the list of authorised signatories for the Council's bank accounts.

#### Public Sector Equality Duty

Members noted that consideration had been given to impacts under the Public Sector Equality Duty.

Resolved : That

- a) Mrs Ekaterina Ratushnaya, Senior Accountant, no longer be authorised to sign cheques and sanction banking instruments on behalf of the Council; and
- b) pursuant to Financial Procedure Rules 4.73 and 4.74, Ms Penny Butterfield, Assistant Accountant, be authorised to sign cheques and sanction banking instruments on behalf of the Council.

#### 181. Council Tax Hardship Relief Support Scheme 2021/22

The Portfolio Holder for Finance and Investment presented report which set out a scheme, funded by Kent County Council, to provide additional council tax support for low-income households suffering financial hardship as a consequence of the Covid-19 pandemic.

The Council Tax and Recovery Manager set out that the proposed scheme had been developed by Kent County Council taking account of Council Tax Reduction

information from district and borough councils with the purpose of providing additional support for low income working age households and those impacted financially through the Covid-19 pandemic. It looked to balance the need for support of households receiving Council Tax Reduction to partly offset the increase in Council Tax with the significant challenge that many households not receiving benefits faced through furlough or redundancy.

Cabinet extended its thanks to the Council Tax and Recovery Manager and his team for the work which had been done throughout the Covid-19 pandemic.

Public Sector Equality Duty

Members noted that consideration had been given to impacts under the Public Sector Equality Duty.

Resolved: That it be recommended to Council that delegated authority be granted to the Deputy Chief Executive and Chief Officer - Customer and Resources, to finalise and implement the necessary requirements to apply the proposed scheme.

182. 27-37 High Street, Swanley Project Budget Update

The Strategic Head of Property and Commercial presented a report which sought approval for additional funding to the project, which would allow the Council to make an award to the preferred contractor and deliver the scheme within the agreed timetable set by the Getting Building Fund (GBF) grant agreement.

On 17 November 2020, Council approved the redevelopment of 27-37 High Street, Swanley, to provide 17 new residential units and a business hub with an estimated total project budget of £5,624,039. The project received a GBF grant of £1.49m upon condition of the scheme meeting a challenging timetable set by Government. As a result, the project was placed on an accelerated programme, and has met all its milestones to date. In particular, demolition work had started on site and the Council had now received tenders to undertake construction work.

However, after evaluating the tenders and choosing a preferred bidder, the tenders exceeded the envisaged cost estimates set for the construction and there was now a need to augment the project budget if the high quality scheme originally envisaged for the gateway location was to be maintained. Given the economic and social benefits associated with the scheme, costs associated with progressing the scheme to date, and given the ability to fund the additional costs through capital receipts, it was recommended that the project's total budget be increased by £490k. This would allow the project to proceed and continue to achieve the conditions stipulated in the GBF Grant Agreement.

Public Sector Equality Duty

Members noted that consideration had been given to impacts under the Public Sector Equality Duty.

Resolved: That

## Cabinet - 18 March 2021

- a) the addition of £490,000 to the current project budget of £5,624,039, be approved; and
- b) it be noted that the additional funding to the project is funded from the Council's Capital Reserves.

183. Equality Policy Statement and Objectives

The Chairman and Improvement & Innovation Portfolio Holder, presented the report which sought adoption of the Equality Policy Statement and Objectives. The Improvement & Innovation Advisory Committee had considered and recommended the report.

The Assistant Chief Executive set out that under the Equality Act 2010 public authorities were required to prepare and publish one of more objectives and review at least every four years. There were five proposed equality objectives relating to the council's role as a community leader, service provider and employer.

The objectives would be subject to review, including consultation with stakeholders on the publication of Census 2021 data later in the year, and emerging guidance from Central Government.

Public Sector Equality Duty

Members noted that consideration had been given to impacts under the Public Sector Equality Duty.

Resolved: That

- a) the Equality Policy Statement and Objectives be adopted; and
- b) a full review of the Equality Policy Statement and Objectives take place on the publication of Census 2021 data be agreed.

184. Sevenoaks District Community Safety Strategy & Action Plan 2021-22

The People & Places Portfolio Holder presented the report which sought approval of the 2021-22 Sevenoaks District Community Safety Strategy and Action Plan.

The Health and Communities Manager set out that the plan responded to the community safety priorities identified in the most recent Strategic Assessment and would determine multi-agency work undertaken in the District to reduce crime and anti-social behaviour and increase feelings of safety. The People & Places Advisory Committee had noted the report.

Public Sector Equality Duty

Members noted that consideration had been given to impacts under the Public Sector Equality Duty.

Resolved: That the Community Safety Strategy & Action Plan for 2021-22, be approved.

185. Citizens Advice Service Level Agreement (SLA) 2021-24

The People & Places Portfolio Holder presented the report which set out details of the proposed Service Level Agreement for Citizens' Advice in the District and sought approval for funding to support their work over the next three years.

A Community Projects and Funding Officer explained that the People & Places Advisory Committee had considered and noted the report. She answered questions from Cabinet on the extent of the Service Level Agreement and its expected operation in the coming years.

Public Sector Equality Duty

Members noted that consideration had been given to impacts under the Public Sector Equality Duty.

Resolved: That the draft Service Level Agreement for 2021/24, be agreed.

186. Community Grant Scheme 2021/22

The People & Places Portfolio Holder presented the report which sought approval of the recommendation to carry forward the projects and funding relating to 2020/21 grants that had been affected by Covid 19 and proposed changes to the Community Grant Scheme for 2022/23.

The Community Projects and Funding Officers explained that applications received had been appraised according to the Council's Guidelines and those recommended for funding supported the aims of the scheme and represented value for money. The events of recent months had prompted the recommended changes to the Community Grant Scheme for 2022/23, which would ensure that the Scheme continued to deliver its' aim of benefiting the most vulnerable residents in Sevenoaks District.

Public Sector Equality Duty

Members noted that consideration had been given to impacts under the Public Sector Equality Duty.

Resolved: That

- a) Grants, as set out in Appendix C to the report, be approved subject to the conditions set out below
  - i) that performance indicators as set out in the application forms are adhered to and monitored;
  - ii) that appropriate Safeguarding policies and arrangements are in place, where necessary;

## Cabinet - 18 March 2021

- iii) that appropriate recognition of this Council's funding contribution is made in all their publicity; and
  - iv) where services are provided over a wider area than the District boundaries, organisations will be required to hold grant aid from this Council in a restricted fund for the benefit of Sevenoaks District residents;
  - v) that organisations funded either have or are working towards any quality accreditation.
- b) projects and funding relating to the 2020/21 grant scheme affected by Covid 19 be carried forward, namely the grants to West Kent Extra and Kenward Trust, for the reasons set out in paragraphs 7 & 14 of the report; and
- c) changes as set out below, to the 2022/23 grant scheme (with applications commencing September 2021), be approved
- i) Promote the smaller grants (up to £500) to support and encourage new, grass-root community initiatives. Achieve this by streamlining the application process to make it more attractive and user friendly to applicants whilst still incorporating the eligibility, criteria and monitoring requirements of the Council. Communicate this approach earlier in the year to encourage applications.
  - ii) Consult and work with other departments to gain an oversight of all grants and funding available to community and voluntary organisations. Use this information to ensure cross-departmental checks and information shares are in place in relation to grants and funding being awarded and to greater understand and effectively manage arrangements and partnerships between the Council and the community and voluntary sector. Incorporate learning from this into the management of the Community Grants scheme and the application appraisal process to ensure that it continues to fund the most deserved, good value for money projects and to support the most vulnerable residents.

187. Adoption of Edenbridge Character Area Assessment SPD

The Development & Conservation Portfolio Holder presented the report which sought adoption of the Edenbridge Character Area Assessment Supplementary Planning Document (SPD).

The Design Officer set out that the report provided the background to the Edenbridge Character Area Assessment SPD and summarised the outcome of the public consultation. The Development & Conservation Advisory Committee had considered and recommended the report. Cabinet asked questions as to the operation of the SPD and the Design Officer demonstrated the Map of Edenbridge Character Area.

Public Sector Equality Duty

Members noted that consideration had been given to impacts under the Public Sector Equality Duty.

Resolved: That the Edenbridge Character Area Assessment Supplementary Planning Document, be adopted.

188. Street Litter Binfrastucture and draft Project Strategy 2021

The Cleaner & Greener Portfolio Holder presented the report which advised Members of a street litter bin project and draft litter strategy. A full Litter Strategy would be considered by Cabinet at a later date, however as a Litter Strategy was required in order to apply for Government funding the Draft Project Litter Strategy attached as an Appendix to the report was being used. She announced that the Council had successfully received a grant award of £25,000 towards the project and advised that the Cleaner & Greener Advisory Committee had noted the report.

The Head of Direct Services explained that the operation of the scheme would increase the efficiency of litter bin collections. He also explained the importance of community education in respect of littering habits.

Public Sector Equality Duty

Members noted that consideration had been given to impacts under the Public Sector Equality Duty.

Resolved: That the Draft Project Litter Strategy set out at Appendix A to the report, be noted.

189. Emergency Planning Service Update

The Cleaner & Greener Portfolio Holder presented the service delivery update report, which the Cleaner & Greener Advisory Committee had also noted.

The Head of Direct Services spoke on this item and reminded Cabinet of various Emergency Planning and other protocols which were in place. He answered questions from Cabinet and the Chairman thanked him for his report.

Public Sector Equality Duty

Members noted that consideration had been given to impacts under the Public Sector Equality Duty.

Resolved: That the report be noted.

IMPLEMENTATION OF DECISIONS

This notice was published on 19 March 2021. The decisions contained in Minutes 180, 183, 188 and 189 take effect immediately. The decisions contained in Minutes 179, 182, 184, 185, 186 and 187 take effect on 29 March 2021. The decision contained in Minute 181 is a recommendation to Council.

THE MEETING WAS CONCLUDED AT 8.34 PM

## Item 5 - Financial Results 2020/21 to the end of January 2021

The attached report was considered by the Finance & Investment Advisory Committee on 25 March 2021. The relevant Minute extract is below.

### Finance & Investment Advisory Committee (25 March 2021, Minute 97)

The Head of Finance presented the report on the Council's financial results 2020/21 to the end of January 2021, which showed the end of year position was currently forecast to be an unfavourable variance of £95,000. This represented 0.61% of the net service expenditure totalling £15.581m. Subsequent to the publishing of this report, the full year forecast as at the end of February had increased to an unfavourable variance of £160,000.

Members noted that had there not been an impact of Covid-19 on the council's finances, there would be a favourable forecast.

The forecasted increase in expenditure or income losses which related to COVID-19 totalled £5.07m and the net impact after grants received from Government was £0.33m. It had been confirmed that the second payment of the sales, fees and charges compensation scheme would be received on 31 March 2021.

Members took the opportunity to discuss the report and asked questions of clarification, with particular focus on homelessness reserves, bulky waste, pest control and car parks income. The Head of Finance would report back on the questions raised.

*Action 2: For The Head of Finance to report back on the number of collection days planned Bulky Waste collection service.*

*Action 3: For Head of Finance to report back on future plans for the Pest Control Service to re-start entering homes.*

*Action 4: For the Head of Finance to report back on the recovery and usage of Car Parks, in particular Bradbourne Car Park.*

### Public Sector Equality Duty

Members noted that consideration had been given to impacts under the Public Sector Equality Duty.

Resolved: That it be recommended to Cabinet that the report be noted.

**FINANCIAL RESULTS 2020/21 - TO THE END OF JANUARY 2021**

**Cabinet - 22 April 2021**

**Report of:** Deputy Chief Executive and Chief Officer - Finance & Trading

**Status:** For Consideration

**Also considered by:** Finance & Investment Advisory Committee - 25 March 2021

**Key Decision:** No

**This report supports the Key Aim of: Effective Management of Council Resources**

**Portfolio Holder:** Cllr. Matthew Dickins

**Contact Officers:** Alan Mitchell, Ext. 7483

Adrian Rowbotham, Ext. 7153

**Recommendation to Finance and Investment Advisory Committee:**

That the report be noted, and any comments forwarded to Cabinet.

**Recommendation to Cabinet:**

Cabinet considers the comments from Finance and Investment Advisory Committee and notes the report.

**Reason for recommendation:** Sound financial governance of the Council.

**Introduction and Background**

- 1 The year-end position at the end of January was forecast to be an unfavourable variance of £95,000 which represents 0.61% of net service expenditure totalling £15.581m.
- 2 The forecasted increase in expenditure or income losses which related to COVID-19 total £5.07m and the net impact after grants received from Government is £0.33m.
- 3 The table below sets out the current position in terms of the Government's Income Compensation Scheme. Two claims have been submitted to date, July and November with a further claim and reconciliation at the end of March 2021.

**Table 1: COVID-19 Sales, Fees and Charges Compensation Scheme**

	<u>£m</u>
Projected total net claim	2.436
Net claim to November 2020	1.573

- 4 The financial cost of the COVID-19 pandemic started at the very end of March 2020 and therefore the financial cost was limited in 2019/20 and has already been reported. However, as the current forecast position shows, a far greater impact will be incurred within the 2020/21 financial year. This and the future financial impact have been addressed through the 10-year budget process which was approved by Council on 17 November 2020.

**Year to Date - Areas of Note**

- 5 Pay costs - The expenditure to date on staff costs is £48,000 below budget. The current Full Time Equivalent position split between SDC staff, Agency and Casual staff is detailed within the staffing stats (section 5) and the impact of salary variances are included within the Chief Officer commentaries.
- 6 The 2020/21 pay award was approved at 2.75%, which is 0.75% higher than budgeted. This has cost an additional £130,000.
- 7 Income - the Council receives a number of different income streams to help balance the budget; section 8 of the monitoring pack provides details in relation to the main streams. At the end of January, income as detailed within the report is significantly below budget. Some of this will be mitigated by the COVID-19 Sales, Fees and Charges Compensation scheme as summarised in Table 1.
- 8 Investment Returns - the return to date on the treasury management investments held by the Council is lower than budget with interest received to date totalling £73,000 compared to a budget of £253,000 year to date. The forecasted income from investments is £215,000 below the £300,000 annual budget. This is due to very low interest rates being offered by counterparties and our cash balances being lower than in previous years due the impact of COVID-19 and planned use within the capital programme.
- 9 Council Tax - collection levels are expected to be below budgeted levels due to the impacts of COVID-19. Due to the way in which the Collection Fund is accounted for, this will not impact the Council until 2021/22.
- 10 Retained Business Rates - Income expectation of £2.139m forms part of the 2020/21 budget; any receipts over and above this amount, including those that result from being a beneficiary of the Kent Business Rates Pool, will be transferred to the Budget Stabilisation Reserve. Regular monitoring takes

place, with any amendments feeding into the outturn forecasts. The current projection is that £454,000 of additional receipts will be received.

#### **Year End Forecast**

- 11 The year-end forecast position is an unfavourable variance of £94,000 (after the inclusion of the Covid-19 Sales, Fees and Charges Compensation Scheme forecasted total claim).
- 12 In paragraphs 12 to 22 there are details of the larger variances, both favourable and unfavourable.

#### **Net Service Expenditure - Favourable Variances**

- 13 Within Miscellaneous Finance the forecasted favourable variance £3.9m which is made up of the receipt of a number of grants, including the Covid-19 Sales, Fees and Charges Compensation Scheme and the balance of the £1.57m Government COVID-19 grant which are offsetting additional costs or losses in income incurred in other areas.
- 14 Parking Enforcement is forecasting a favourable variance of £40,000 due to a new contract with Tandridge District Council.
- 15 Corporate Management is forecasting that there will be an underspend of £76,000 which as a result of reduced expenditure on bought-in external services and some minor proportions on salaries which are attributed to the corporate management of the organisation.
- 16 Planning Policy are forecasting a favourable variance of £64,000. Income has recovered extremely well and a number of large applications have meant the income budget will be exceeded. However, this is being used to offset other unfavourable variance as highlighted in paragraph 22

#### **Net Service Expenditure - Unfavourable Variances**

- 17 Homelessness prevention is forecasting an adverse variance of £129,000 which is the additional cost being incurred relating to an increased number of people being put in temporary accommodation This reduced from £240,000 following receipt of an additional Homelessness grant. The homelessness funding is currently being reviewed in order to fund the programme in future years.
- 18 Land charges fees were revised for 2019/20 but the number of searches has remained down compared to previous years. Due to COVID-19 the level of searches has dropped even lower leading to a £65,000 unfavourable forecast.
- 19 Local Tax is forecasting an unfavourable variance of £435,000 due to COVID-19 £372,000 loss of court costs recovery at 100% for the whole year plus £40,000 write offs for courts costs raised in previous years. The total underachievement of income on Enforcement is estimated to be £100,000, which is £20,000 higher than last year due to COVID.

## Agenda Item 5

- 20 Car parking fees were suspended on the 23 March due to COVID-19 but were reintroduced in June, with some free parking. This coupled with the significant drop in car park usage has led to a significant loss of income with Car Parks forecasting an adverse variance of £2.047m. Similarly, with On-Street Car Parking which is also forecasting an unfavourable variance of £681,000. The loss of Car Parking income is the largest amount included in the COVID-19 Sales, Fees and Charges Compensation claim.
- 21 Direct Services are forecasting an unfavourable variance of £240,000 due to loss of income in areas such as bulky waste, trade waste, MOT's and pest control and increased costs such as the increased use of agency to cover staff shortages due to COVID-19.
- 22 Due to COVID-19 the Print Shop was unable to conduct business as normal for both internal and external customers. An unfavourable variance of £58,000 is forecast.
- 23 Within Development & Conservation there are a number of smaller variances some of which are losses of income due to COVID-19 with the overall variance being £75,000. Within the services there are some savings due to staff vacancies but these will be utilised to offset other staff budget overspends including career training.

### Other Variances

- 24 Interest Receipts - current levels of investment returns and expected rates going forward, along with reduced cash levels due to ongoing loss of income, have resulted in an unfavourable variance of £215,000 being forecast.
- 25 Investment Property Income - forecasting an unfavourable variance of £136,000. The majority of properties held within the Property Investment Strategy continue to achieve the income levels predicted. Due to a tenant going into administration as a result of COVID-19 a single property has not produced income in line with budget and this loss of income is reflected in the unfavourable variance of £96,000 which has been addressed by 21/22 SCIA 13. In addition Business Rates have been charged in relation to the Burlington Mews show home.

### Future Issues and Risk Areas

- 26 Chief Officers have considered the future issues and risk areas for their services and the impacts these may have on the Council's finances as follows:
  - COVID-19 continues to affect the entire authority and is being closely monitored. As part of the 10-year budget process the expected financial cost has been projected and solutions presented and approved
  - Ongoing impact of COVID-19 on the leisure industry and Council owned leisure facilities.

- Ongoing Temporary Accommodation costs within the district, excluding COVID-19 related costs.
- COVID-19 related risks are currently the greatest concern. Also, additional staffing costs for Direct Services are possible if a number of staff self-isolate as the intention is to continue at normal service levels wherever possible.
- The Environmental Partnership dissolution costs.
- Car parking customer numbers were increasing up to November, but it is uncertain what the impact will be for the rest of the year especially with subsequent local Tier restriction and further national lockdowns.
- The likely effect of the Government's Income Compensation scheme is included elsewhere in this report.
- Potential unknown liabilities associated with Business Rates relating to distressed leases. A systemic risk associated with the pandemic may result in further loss of income.
- Feasibility costs for property investments and development of council owned assets.
- Land Charges - being monitored, some positive impact from Stamp Duty holiday, budget also to be reviewed in 2021/22 in light of changes to the service with the Land Registry.
- There remains the risk that planning decisions and enforcement action will be challenged, either at appeal or through the Courts.
- The Local Plan legal challenge is ongoing
- The Building Control dissolutions costs
- The financial impact of proposed changes to the Planning System will need to be carefully considered.

27 The potential impact of Brexit is being monitored and addressed as part of the Council's risk management process.

### **Key Implications**

#### Financial

The financial implications are set out elsewhere in this report.

## Agenda Item 5

### Legal Implications and Risk Assessment Statement

Under Section 151 of the Local Government Act 1972, the Section 151 officer has statutory duties in relation to the financial administration and stewardship of the authority.

Detailed budget monitoring is completed on a monthly basis where all variances are explained. Future risk items are also identified.

### Equality Assessment

The decisions recommended through this paper have a remote or low relevance to the substance of the Equality Act. There is no perceived impact on end users.

<b>People and Places</b>							
Compliance & Enforcement	0	-37	-37			0	External funding received from Government for recruiting four Town Centre Ambassadors appointed in early December 2020.
Community Safety	174	170	-4		-25	-25	Staff vacancy and post changes due to People and Places management restructure. Any other underspend, is offsetting all corporate costs incurred by all involved departments (e.g. Planning, Legal etc.) for the Convent of Mercy.
The Community Plan	50	46	-5		-14	-14	Staff under spend due to People and Places recent management restructure.
Leisure Contract	71	84	13	6		6	Sencio annual Management Fee paid upfront for full year (approved by Cabinet), rather than the quarterly payments, to enable business resilience during leisure centre closures. Additional expenditure has been incurred to support external consultancy costs regarding the impact of COVID-19 on leisure.
Tourism	25	-29	-54			0	Income received from partners ahead of spend.
Community Sports Activation Fund	15	33	18			0	Salary costs for Communities Officer which will be drawn down from Reserves to cover.
West Kent Kick Start	0	-18	-18			0	Grant Funding received ahead of spend.
Youth	42	24	-18	-9		-9	Youth delivery is being reviewed due to COVID restrictions on hosting external events. Any savings could contribute towards wider overspends in the department.

Future Issues/Risk Areas

Ongoing impact of COVID-19 on the leisure industry and Council owned leisure facilities.

<b>Planning - Development Management</b>	88	31	-57		-11	-11	Loss of income reversed as major applications received.
<b>Planning - Enforcement</b>	239	290	51		81	81	Staff costs over budget due to additional resource invested.
<b>Planning Performance Agreement</b>	0	40	40			0	Urban Designer post costs, which will be offset by drawdown from allocated reserves (PPAs fees).
<b>Administrative Expenses - Building Control</b>	10	1	-9		-10	-10	Admin budget saving due to costs being charged to the BC Partnership.
<b>Administrative Expenses - Planning Services</b>	29	44	15	5	27	32	COVID-19 related - tablets for the team; non-COVID-19 related - career training, offset by staff budget savings.

#### Future Issues/Risk Areas

There remains the risk that planning decisions and enforcement action will be challenged, either at appeal or through the Courts.

The Local Plan legal challenge is ongoing

Recruiting to vacant posts continues to be difficult.

The financial impact of proposed changes to the Planning System will need to be carefully considered.

BC Partnerships dissolution costs.

<b>Finance and Investments</b>							
Asset Maintenance CCTV	15	5	-10			0	Behind profile due to COVID-19 restrictions but expected to catch up during the year.
Benefits Admin	422	290	-132		-97	-97	Grant received is higher than budgeted.
Dartford Rev&Ben Partnership Hub (SDC costs)	1,550	1,471	-79			0	Grants to be carried forward to support reducing grants in future years.
Dartford Audit Partnership Hub (SDC Costs)	184	146	-39			0	Underspend due to the vacant Lead Auditor Post now filled.
Local Tax	-103	253	356	392	43	435	Due to COVID £372,000 loss of court costs recovery at 100% for the whole year plus £40,000 write offs for courts costs raised in previous years; total underachievement of income on Enforcement is estimated to be £100,000, which is £20,000 higher than last year due to COVID. - This is expected to be offset by money recouped from Government support.
Misc. Finance	1,167	97	-1,070	-3,513		-3,513	COVID-19 Grant offset by additional COVID-19 related expenditure. The remainder will offset forecast loss of income due to COVID-19 on other lines. The forecast has been adjusted to account for Tranche 4 of the COVID-19 Grant and anticipated payments under the income compensation scheme.
Administrative Expenses - Finance	19	30	11		8	8	Additional costs relating to works carried out to improve the Finance IT system, including works on replacement of the Task system.
Support - Finance Function	195	181	-14		-12	-12	Underspend due to Assistant Accountant vacancy now filled.
Support - Legal Function	212	179	-34		-31	-31	Staff turnover and underspend on specialist advice.

Future Issues/Risk Areas

Covid-19 related risks are currently the greatest concern.

Cleaner and Greener							
Asset Maintenance Argyle Road	64	93	29			0	Car park resurfacing work undertaken.
Asset Maintenance Leisure	155	102	-53			0	Leisure centres have experienced closures due to COVID-19 which has delayed spend. However proactive maintenance is planned including boiler replacement and is expected to bring this area back on budget.
Asset Maintenance Support & Salaries	158	35	-122			0	Behind profile due to COVID-19 and restrictions on contractors being onsite. Some external works carried out and likely to catch up during the year.
Car Parks	-1,695	-193	1,501	1,987	60	2,047	Suspension of parking charges due to COVID-19 had a significant impact on income during the first quarter of the year. Although charges have been reintroduced usage is lower than usual due to COVID-19 and further lockdowns continue to have a negative impact. Forecasts have been adjusted to take account of receipts to the end of January which were even lower than anticipated and a reduced level of usage in for the rest of the year due to national COVID-19 restrictions. This has resulted in a net worsening of the forecast of £134,000. The forecast incorporates the impact of the reduction in parking charges for December as agreed by members.
Civil Protection	247	279	33			0	Annual payments, partially relating to 21/22 are causing an adverse variance. Will be corrected at year end.
Civil Protection	58	42	-16			0	Expenditure behind profile. Expected to be on budget at year end.
Dartford Environmental Hub (SDC Costs)	586	550	-36			0	Staff budget savings will be utilised to offset the DBC support charge.
Car Parking - On Street	-442	133	574	681		681	Suspension of parking charges and reduced income on PCN's due to COVID-19. Forecasts have been adjusted to take account of receipts to the end of January, including the period relating to national COVID-19 restrictions.
EH Commercial	235	195	-39	3	31	34	Loss of income due to COVID & legal costs. KCC 50k Test & Trace grant will be carried forward to the next financial year to be spent in line with grant conditions.
EH Animal Control	-2	11	13	7	10	17	Loss of income due to COVID and historically low collection of kennel fees.
EH Environmental Protection	308	322	13	4	1	5	Loss of income due to COVID; Agency staff costs partially offset by salaries budget in EH Commercial team.
Parking Enforcement - Tandridge DC	-22	-84	-62		-40	-40	Additional income relating to the new contract with Tandridge District Council forecast, partially offset by the additional cost of transferred staff and running the service.
Estates Management - Buildings	3	74	71		50	50	Swanley Meeting Point rates bill not budgeted as commencement of development of the site has taken longer than anticipated. Development of the site will start shortly.

Service	Budget to Date £'000	Actual to January £'000	Variance to date £'000	Annual Forecast Variance due to COVID-19 £'000	Annual Forecast Variance due to other factors £'000	Total Annual Forecast Variance £'000	Explanation for year end variances greater than £10k (starred items)
Estates Management - Grounds	104	118	13		13	13	Overspend relating to hedge cutting costs and essential maintenance work.
Housing Premises	8	-3	-11			0	Income received above budgeted levels.
Kent Resource Partnership	-55	-124	-69			0	Funding received ahead of expenditure.
Licensing Partnership Hub (Trading)	21	43	22			0	Overspend is due to 2 temporary staff, it will be funded by the HUB surpluses from previous years.
Licensing Regime	-20	11	31	27	11	38	Loss of income due to COVID; staff budgets variance due to a change in salaries allocations.
Asset Maintenance Operatives	3	-10	-13			0	Expenditure behind profile. Expected to be on budget at year end.
Markets	-137	-177	-40	50	-25	25	Income currently showing ahead of budget. However loss of income due to COVID-19 closures is likely and a forecast represents the weeks that Swanley market has been closed.
Parks - Greensand Commons Project	0	24	24			0	Claim made but not yet paid for costs from Heritage Lottery Fund (HLF).
Parks - Rural	133	151	18		15	15	Additional vehicle costs and health and safety tree works. Income from coppiced timber sales will be delayed until the new financial year.
Refuse Collection	2,378	2,354	-24		25	25	Recycling: Glass income is lower than budget due to both volume and price, and is not expected to fully recover during the year.
Support - Central Offices	445	403	-42			0	Behind profile due to COVID-19 and restrictions on contractors being onsite.
Support - General Admin (Post/Scanning)	158	136	-22	-10	-5	-15	Reduced postage costs including summons and reminders not being sent out.

Service	Budget to Date £'000	Actual to January £'000	Variance to date £'000	Annual Forecast Variance due to COVID-19 £'000	Annual Forecast Variance due to other factors £'000	Total Annual Forecast Variance £'000	Explanation for year end variances greater than £10k (starred items)
Direct Services Trading account	-150	81	232	205	35	240	<p>Agency Use - This has had to be increased greatly due to severe staff shortages due to Covid-19 positive infections and is continuing because although staff have returned to work we have a high number now taking annual leave, which was not possible earlier.</p> <p>Bulky waste - collections were suspended for a period over Christmas due to Covid-19 lockdown restrictions. The number of collections is currently restricted to 30 addresses per collection, previously there was no limit. As from the 28 September 2020 we increased the number of days available for collections and it appears that this has resulted in increased income. We are now finding that not all collection days are full so we may consider reducing the number of collection days available each week therefore lowering the cost of agency labour and transport. We are still not providing any Saturday bulky collections for parishes or larger bulky waste quotes.</p> <p>Trade Waste - income this year to date is £254,000 and last year to date was £365,000. A few customers have ceased trading, a number have closed again due to the current lockdown restrictions. This lost income will not be recovered this year. The large difference against budget is because this was increased on the assumption that we would actively seek more trade customers this year (extra £102,000 income target). It is therefore estimated that we will only achieve £315,000 income on this account against a budget of £550,000.</p> <p>Street Cleaning Other - reduction to cleaning services and private work due to these staff supporting domestic waste collections due to staff shortages for Covid-19.</p> <p>Green Waste - There have been an additional 1,520 customers since April 2020 and income levels are slightly ahead of target despite the budget increase this year and entering the quiet period for new customers.</p> <p>MOT Tests - loss of around £5,000 as the service was suspended. Operational again since 11th January 2021 but the loss will not be recovered this year.</p> <p>Taxi Tests loss of around £15,000 Income as service was suspended. Service operational again since 11th January 2021 but the loss will not be recovered this year.</p> <p>Pest Control - the loss of income continues due in part to suspension of service April - July 2020. The service is still not operating fully as operatives are not entering customer homes to carry out treatments. <del>However even in a normal year this account struggles to breakeven. It is anticipated</del></p>
Taxis	19	5	-14	37	-57	-20	Loss of income due to COVID; staff budgets variance due to a change in salaries allocations.

Service	Budget to Date £'000	Actual to January £'000	Variance to date £'000	Annual Forecast Variance due to COVID-19 £'000	Annual Forecast Variance due to other factors £'000	Total Annual Forecast Variance £'000	Explanation for year end variances greater than £10k (starred items)
<p>Covid-19 related risks are currently the greatest concern. Car parking customer numbers are increasing but it is uncertain what the impact will be for the rest of the year especially with a second lockdown. Also additional staffing costs for Direct Services are possible if a number of staff self isolate as the intention is to continue at normal service levels wherever possible. EH Partnership dissolution costs.</p>

<b>Housing and Health</b>							
Homeless	183	317	134	94		94	Demand for temporary/emergency accommodation saw an increase in December. This budget is planned to be on target due to funding from reserves and external grants. This overspend will need to be offset and funded from either Govt's COVID grant, other external grants or central reserves.
Housing Register	49	72	23			0	Due to additional costs required on the Housing Register to address the inherited application backlog, temporary staffing resource was put in place to address. This additional resource will be offset by existing reserves in the department.
Next Steps Accommodation Programme	-48	-91	-43	16		16	External funding received from MHCLG Next Steps Accommodation Fund for COVID rough sleepers, funding for this is shown in COVID grant income.
Housing Pathway Co-ordinator	0	18	18			0	External funding received from MHCLG towards Rough Sleeper Initiative.
Homelessness Prevention	0	126	126	129		129	Government's Everyone In initiative has created unplanned expenditure for the year which has now been split across MHCLG's Next Steps Accommodation Programme and part of this cost will be funded from this strand of funding . This is being reviewed on an ongoing basis however it is difficult to accurately predict final spend. This overspend will need to be offset and funded from either Govt's COVID grant, other external grants or central reserves.
Private Sector Housing	245	263	18		11	11	Legal costs incurred by the Council in relation to a tribunal for a park home site in the district partially offset by staff underspends.
One You - Your Home Project	0	-10	-10			0	External funding received in advance from Age UK towards project costs. End of year will be as per budget.
PCT Health Checks	-3	-22	-19			0	External funding received in advance from Kent Public Health.
Homelessness Funding	92	76	-16			0	External funding (FHSG - staff related spend).
PCT Initiatives	21	-20	-41			0	External funding received in advance towards various One You Projects (e.g. West Kent One Systems for Health). End of year will be as per budget.

Future Issues/Risk Areas

Ongoing Temporary Accommodation costs within the district, excluding COVID-19 related cost.

Improvement and Innovation							
Asset Maintenance IT	241	113	-128			0	Spend as per 10-year asset maintenance plan - Any surplus to IT Asset Maintenance reserve at year end agreed.
Corporate Management	834	762	-71		-75	-75	It is currently forecast that there will be an underspend within the Corporate Management budgets for this year, which includes less expenditure on bought-in external services and some minor proportions on salaries which are attributed the corporate management of the organisation.
Corporate - Other	-35	0	35		38	38	The savings made on vacant posts are currently lower than the budget profiled for the year to date. Under the current circumstances it is anticipated that staff turnover will reduce this year and that the vacant posts savings will not be achieved.
Elections	128	148	21		-5	-5	Recharges to other Local Authorities raised as part of elections in 2019, to be offset by reversal of relevant expenditure accruals. Any remaining underspend will be transferred to the reserve for the District Council election costs.
External Communications	188	157	-31	-11	-11	-22	The variance relates to the costs of production of the Council's In Shape magazine. One issue was cancelled during the financial year due to the onset of the Covid-19 pandemic.

Service	Budget to Date £'000	Actual to January £'000	Variance to date £'000	Annual Forecast Variance due to COVID-19 £'000	Annual Forecast Variance due to other factors £'000	Total Annual Forecast Variance £'000	Explanation for year end variances greater than £10k (starred items)
Land Charges	-88	-39	49	50	15	65	COVID-19 impacts in first half of the year, some recovery evident at present - to be monitored as year progresses.
Members	385	350	-35	-30	-10	-40	Underspend projected due to reduced member travel claims and training. Members allowances lower than budgeted levels.
Register of Electors	207	170	-37		-27	-27	EOY Forecast underspend due to vacant post and maternity leave.
Administrative Expenses - Corporate Services	17	3	-14	-15		-15	Underspend on training budget due to current environment.
Administrative Expenses - Legal and Democratic	62	46	-16	-10		-10	EOY forecast underspend due to reduction in internal printing which will be offset by reduction in income for the Print Studio. Current underspend position also includes invoices awaited.
Support - Contact Centre	582	556	-26		-20	-20	Underspend due to staff turnover.
Support - General Admin (Print Shop)	-3	43	46	73	-15	58	External print income is on target against the profiled budget. However the impact of Covid-19 has reduced income on internal Print Charges over the year to date. Some of the loss will be offset by savings on internal printing budgets within the service a
Support - IT	1,066	1,021	-45	-7		-7	Forecast underspend due to reduction in copying costs, current variance due to outstanding invoices awaited.
Support - Human Resources	296	351	55		33	33	Forecast overspend due to recruitment costs, and currently looking at adjustment for Salary Sacrifice schemes

#### Future Issues/Risk Areas

IT - overspend on telephony offset by current underspend on salaries.  
Land Charges - being monitored, some positive impact from Stamp Duty holiday, budget also to be reviewed in 2021/22 in light of changes to the service with the Land Registry.

## Item 6 - Carry Forward Requests 2020/21

The attached report was considered by the Finance & Investment Advisory Committee on 25 March 2021. The relevant Minute extract is below.

### Finance & Investment Advisory Committee (25 March 2021, Minute 98)

The Head of Finance presented the report which sought approval from Cabinet for Carry forward requests for 2020/21 and advised that there were 7 specific revenue carry forward requests and 1 capital carry forward request to the year 2021/22, to meet specific requirements. Due to the timing of the report the amounts were provisional, which was why the terminology of 'up to' was used. The Head of Finance explained each carry forward request in detail.

It was queried why grants to support voluntary bodies that had not been able to use the grants in 2020/21, were not given to other voluntary groups who needed the finances during the Covid-19 crisis. Members were advised that an update would follow.

*Action 5: For Head of Finance to report back to the Committee on the use of grants during the Covid-19 crisis advising why unused grants had not been given to other groups who required finances.*

### Public Sector Equality Duty

Members noted that consideration had been given to impacts under the Public Sector Equality Duty.

Resolved: that it be recommended to Cabinet that

- a) the Revenue carry forward requests totalling up to £477,000 as set out in paragraph 3 of the report be approved; and
- b) the Capital carry forward request totally £524,000 as set out in paragraph 4 of the report be approved.

**CARRY FORWARD REQUESTS 2020/21**

**Cabinet - 22 April 2021**

**Report of:** Deputy Chief Executive and Chief Officer - Finance & Trading

**Status:** For Consideration

**Also considered by:** Finance & Investment Advisory Committee - 25 March 2021

**Key Decision:** No

**This report supports the Key Aim of:** Effective Management of Council Resources

**Portfolio Holder:** Cllr. Matthew Dickins

**Contact Officers:** Alan Mitchell, Ext. 7483

Adrian Rowbotham, Ext. 7153

**Recommendation to Finance and Investment Advisory Committee:**

That the recommendations below to Cabinet, be endorsed.

**Recommendation to Cabinet:**

- (a) the Revenue carry forward requests totalling up to £477,000 as set out in paragraph 3 of the report be approved, subject to any amendments suggested by the Finance and Investment Advisory Committee;
- (b) The Capital carry forward request totalling £524,000 as set out in paragraph 4 of the report be approved, subject to any amendments suggested by the Finance and Investment Advisory Committee.

**Introduction and Background**

- 1 In order to meet the committee deadlines and to help facilitate a shorter final accounts process these requests for specific unspent budgets to be placed in an earmarked reserve for spending in a subsequent year (the 'carry forward' reserve) have been brought to this meeting rather than waiting until the final outturn results are available.
- 2 As was the case in 2019/20 any other variances at year end are transferred to the Budget Stabilisation Reserve.

## Agenda Item 6

### Revenue Carry Forward Items

- 3 There are eight specific Revenue carry forward requests, summarised in table 1. Further details including the implications of not carrying forward these budgets are set out in the Appendix A.

**Table 1 - Revenue Carry Forward Requests**

No	Item	Chief Officer	Amount (up to) £

R7	Customer Redesign Project	Assistant Chief Executive	30,000
	<b>TOTAL</b>		<b>477,000</b>

### Capital Carry Forward Items

- 4 There is one Capital carry forward request, summarised in table 2. Further details including the implications of not carrying forward these budgets are set out in the Appendix A.

**Table 2 - Capital Carry forward Request**

No	Item	Chief Officer	Amount (up to) £
C1	Disabled Facilities Grant	People and Places	524,000
	<b>TOTAL</b>		<b>524,000</b>

### Key Implications

#### Financial

The financial implications are set out elsewhere in this report.

Legal Implications and Risk Assessment Statement

Under Section 151 of the Local Government Act 1972, the Section 151 officer has statutory duties in relation to the financial administration and stewardship of the authority.

Detailed budget monitoring is completed on a monthly basis where all variances are explained. Future risk items are also identified.

Equality Assessment

The decisions recommended through this paper have a remote or low relevance to the substance of the Equality Act. There is no perceived impact on end users.

Budget Carry Forward Request 2020/21 (R1)

Chief Officer: Detlev Munster

Budget description : Asset Maintenance - Various

Type of expenditure: Revenue

Cost Centre & Account code : YMAA 30200  
 YMDZZD 30200  
 XBXC 30200

Budget forecast to be unspent at 31/3/21: Up to £220,000

Amount requested for carry forward: Up to £ 220,000

Reason for request, including the benefits of this expenditure, why the budget was not spent in 2020/21 and timescales for expenditure in 2021/22:

Spend on asset maintenance has been delayed due to initial restrictions to contractors being on site. Leisure centres have experienced closures due to COVID-19 which has delayed spend. However proactive maintenance is planned including essential roof repairs but is not expected to be completed by year end.

Implications of not carrying forward this budget (e.g. impact on achievement of performance targets, etc):  
 Budgets for next year are not sufficient to cover the required works in order to maintain our assets.

Agenda Item 6  
Budget Carry Forward Request 2020/21 (R2)

Chief Officer: Detlev Munster

Budget description: Economic Development & Tourism

Type of expenditure: Revenue  
Cost Centre & Account code: 60501 PRECODV  
60000 PRTOUR

Budget forecast to be unspent at 31/3/21: Up to £ 13,000

Amount requested for carry forward: Up to £ 13,000

Reason for request, including the benefits of this expenditure, why the budget was not spent in 2020/21 and timescales for expenditure in 2021/22 :

Economic Development and Tourism work could not be undertaken during the 20/21 Financial Year due to the pandemic. In particular officer time had to be reallocated and the planned programme of work had to be delayed. The unspent items were to be used towards the preparation/refresh of the Economic Development Strategy and for the tourism website.

This funding will be spent in Spring/Summer 2021 to prepare the EDS in accordance with the revised workplan presented to the IIAC.

Implications of not carrying forward this budget (e.g. impact on achievement of performance targets, etc):

Budgets for next year will not be sufficient to cover the required works in order to complete the EDS and the new tourism website for the District.

Appendix A

Budget Carry Forward Request 2020/21 (R3)

Chief Officer : Sarah Robson

Budget description : Grants and Support to Voluntary Bodies

Type of expenditure: Revenue

Cost Centre & Account code: CDGRNTS/67100

Budget forecast to be unspent at 31/3/21: up to £10,000

Amount requested for carry forward: up to £10,000

Reason for request, including the benefits of this expenditure, why the budget was not spent in 2020/21 and timescales for expenditure in 2021/22:

*Some initiatives funded by Community Grants scheme could not go ahead due to restrictions/lockdown. However, the grant recipients are able to deliver the projects in 2021 as Covid restrictions lift.*

*The portfolio holder has approved that they would like the funding to be carried forward and original grant allocation allocated to the original recipient to deliver the previously agreed project.*

Implications of not carrying forward this budget (e.g. impact on achievement of performance targets, etc):

Community projects which will be key to the district's recovery and promote community empowerment and cohesion will not be delivered.

## Agenda Item 6

<u>Budget Carry Forward Request 2020/21</u>	R4
Chief Officer:	Sarah Robson
Budget description:	Youth
Type of expenditure:	Revenue
Cost Centre & Account code :	CDYOUTH/60000
Budget forecast to be unspent at 31/3/21:	<u>£10,000</u>
Amount requested for carry forward:	<u>£10,000</u>

Reason for request, including the benefits of this expenditure, why the budget was not spent in 2020/21 and timescales for expenditure in 2021/22 :

The Youth programme of projects, events and activities could not be delivered in 2020/21 due to Covid restrictions and lockdown.

The Communities team will be delivering its youth projects, events and activities programme in 2021/22, but will require an additional budget in place to allow for PPE and social distancing requirements.

Implications of not carrying forward this budget (e.g. impact on achievement of performance targets, etc):

If the carry forward is not approved, it will impact the Council's ability to aid the district's recovery, where a key focus will be on engaging young people, improving their mental and physical health and wellbeing.

## Appendix A

<u>Budget Carry Forward Request 2020/21</u>	R5
Chief Officer:	Jim Carrington-West
Budget description:	Revenues & Benefits
Type of expenditure:	Revenue
Cost Centre & Account code:	FSLTHSB, XBAF, FSCTADM
Budget forecast to be unspent at 31/3/21:	£ 165,000
Amount requested for carry forward:	£ 165,000 (up to)

Reason for request, including the benefits of this expenditure, why the budget was not spent in 2020/21 and timescales for expenditure in 2021/22:

The following grants were received in 2020/21:

- KCC - Counter Fraud work to Council Tax £46,490
- KCC - Council Tax Support £109,509
- KCC - Incentive Fund £12,797
- DWP - Housing Benefit Award Accuracy Initiative 8,040
- DWP - Verify Earnings and Pensions Alerts Service £19,915
- BEIS - Post Payment Assurance & Debt Recovery - £76,500

During the year, as well as some grant funding from KCC, the Council has received a number of new burdens grants from the Government Departments to perform additional tasks in relation to COVID. Responding to COVID restricted the Revenues and Benefits department in performing some of its normal tasks this year, i.e. debt enforcement and recovery. It is anticipated, that additional resources will be required in the following years to address the backlog.

The costs of Revenues and Benefits are shared with Dartford BC. Some of the above funding has already been spent but when the partnership accounts for the year are confirmed between the two partners, it is expected that some of the above funding will not have been used in the year.

## Agenda Item 6

<u>Budget Carry Forward Request 2020/21</u>	R6
Chief Officer:	Richard Morris
Budget description:	Building Control
Type of expenditure:	Revenue
Cost Centre & Account code:	DVBCFEE 94300
Budget forecast to be unspent at 31/3/21:	£ 29,000
Amount requested for carry forward:	£ 29,000 (up to)

Reason for request, including the benefits of this expenditure, why the budget was not spent in 2019/20 and timescales for expenditure in 2020/21 :

The service achieved income above its targets and costs incurred. The department will be finalising the processes of BC partnership dissolution next year and additional expenditure is required to set up the system outside the HUB.

Implications of not carrying forward this budget (e.g. impact on achievement of performance targets, etc):

The legislation requires local authorities to charge for carrying out their building regulations chargeable service as nearly as possible equally to the cost incurred. Local authorities are required to take account of surpluses and deficits made in early years and to offset these against projected future costs resulting in reduced or increased charges, as appropriate, and income received for that year and subsequent years so that over a reasonable period income matches costs.

The Council would not be compliant with a legislative requirement.

Appendix A

<u>Budget Carry Forward Request 2020/21</u>	R7
Chief Officer :	Pav Ramewal
Budget description :	Customer Redesign Project
Type of expenditure:	Revenue
Cost Centre & Account code :	69006 PPSAVING
Budget forecast to be unspent at 31/3/21:	£30,000 (up to)
Amount requested for carry forward:	£30,000 (up to)

**Reason for request, including the benefits of this expenditure, why the budget was not spent in 2020/21 and timescales for expenditure in 2021/22:**

In the 2020/21 budget, funding was put aside for corporate projects and staff recruitment and retention.

In order to achieve the effective delivery of the Council Plan, some services are being redesigned so that they are better aligned to customer needs and with a much stronger emphasis on wrapping services around the customer.

In order to achieve this, the new Customer Solutions Centre is now operating. The Customer Solutions Centre is resourced with a wider skill set to deal with more interactions at first point of contact and in parallel more effective processing is being investigated.

By carrying forward the above amount, it will enable more services to be brought into the Customer Solutions Centre.

**Implications of not carrying forward this budget (e.g. impact on achievement of performance targets, etc):**

The ability to progress with the Customer Redesign Project would be impacted and the benefits to customers may be reduced or delayed.

Budget Carry Forward Request 2020/21 C1

Chief Officer : Sarah Robson

Budget description : Disabled Facilities Grant

Type of expenditure: Capital

Cost Centre & Account code : YLTB/YLTC/YLPT

Budget forecast to be unspent at 31/3/21: £605,000

Amount requested for carry forward: £524,000 (up to)

Reason for request, including the benefits of this expenditure, why the budget was not spent in 2020/21 and timescales for expenditure in 2021/22:

Covid-19 lockdown/tiers restricted access to people's homes e.g. Occupational Health and contractors over the past 12 months, hence lower expenditure than originally planned.

Grant received initially was £1,148,482 with KCC top slicing £154k, Sevenoaks then received an additional £133k Feb 2021.

Implications of not carrying forward this budget (e.g. impact on achievement of performance targets, etc):

If the carry forward is not approved, there will be no funding in place to support undertaking the approved DFG projects from 2020/21.

Implications of not carrying forward this budget (e.g. impact on achievement of performance targets, etc):

It will reduce the funding available to address required workloads and to deliver the improvements and efficiencies planned for the service.

## Item 7 - Disposal of Land

The attached report was considered by the Finance & Investment Advisory Committee on 25 March 2021. The relevant Minute extract is below.

### Finance & Investment Advisory Committee (25 March 2021, Minute 100)

The Strategic Head of Property and Commercial presented the report which identified four sites that were no longer required by the Council. Russett Way, Swanley, Alder Way, Swanley, Oakhill Road, Sevenoaks and land to the rear of Sealcroft Cottages, Seal had been advertised in accordance with Local Government Act 1972 as appropriate, of the council's intention to dispose of the sites. Consultation responses were received and reviewed but no objections were received. External valuation advice had been sought of achievable values.

In response to questions, it was confirmed that if sold, the land to the rear of Sealcroft Cottages would be conditioned to ensure the land would be for affordable housing. In regards to Oakhill Road, Sevenoaks external advice had been sought in regards to the indicative figures. The Strategic Head of Property and Commercial explained the site, valuation context and believed the figure for the site was appropriate.

### Public Sector Equality Duty

Members noted that consideration had been given to impacts under the Public Sector Equality Duty.

Resolved: That

- a) the report be noted; and
- b) Cabinet be asked to look again at the valuation of Oakhill Road.

**DISPOSAL OF LAND**

**Cabinet - 22 April 2021**

**Report of:** Strategic Head of Property and Commercial

**Status:** For Decision

**Also considered by:** Finance & Investment Advisory Committee - 25 March 2021

**Key Decision:** Yes

**Portfolio Holder:** Cllr. Matthew Dickins

**Contact Officer:** Detlev Munster, Ext. 7099

**Recommendation to Finance and Investment Advisory Committee:**

That the report be noted any comments on the recommendation below be forwarded to Cabinet.

**Recommendation to Cabinet:**

- a) To declare the properties listed in recommendation b) below as surplus to the Council's requirements.
- b) To approve the disposal of:
  - a. land at Russett Way, Swanley by auction;
  - b. land east of 40 Alder Way, Swanley by private treaty;
  - c. Land at Oakhill Road, Sevenoaks by private treaty;
  - d. Land to rear of Sealcroft Cottages, Seal, by private treaty;
- c) To delegate authority to the Strategic Head of Property & Commercial in consultation with the Head of Democratic and Legal Services to undertake and to enter into the necessary agreements for the land transactions noted in the above recommendation.

**Reason for recommendation:**

To provide capital receipts to help deliver the Council's approved Capital Programme and to ensure best consideration for the disposal is obtained in all instances.

**Introduction and Background**

- 1 Sevenoaks District Council regularly reviews its property portfolio to ensure its land holdings meet its operational and strategic requirements.

## Agenda Item 7

- 2 The current asset review process has identified several parcels of land (highlighted below) that are no longer required by the Council.
- 3 To enable the disposal of the identified sites, the Council is required to declare these sites as surplus (IFRS 13 purposes). Additionally, the Council is required under Section 123(2A) of the Local Government Act 1972 to advertise its intention to dispose of public open space in accordance with the legislation. This provision applies to the sites at Russett Way, Alder Way and Oakhill Road.
- 4 Valuation advice was sought, and the confidential Appendix A provides an outline of achievable values. Advice was also sought on the preferred disposal methods.

### Disposal Sites

#### Russett Way, Swanley

- 5 This site of 1,277 sq.m is currently amenity land, an open space between the rear of properties to Conifer Way and Aspen Close and fronting on to Russett Way. It is located in the built-up area of Swanley town, not within the Green Belt.
- 6 In 2015 the site was identified as a potential development opportunity and in 2016 was assessed under SDC's call for sites programme, both in terms of the SHLAA (Strategic Housing Land Availability Assessment) and ELAA (Economic Land Availability Assessment) methodologies.
- 7 The conclusion was that the site was surplus to requirements and could be put forward for development. The site was included within the draft Local Plan as an allocation with a site capacity of seven units.
- 8 It was then tendered for valuation and development advice as part of the Small Sites Programme, following which options appraisals and feasibility studies were carried out. It was concluded that no more than 3 dwellings are likely to be accommodated on the site due to the desire to retain some of the amenity greenspace for the existing children's playground.
- 9 A planning application was submitted by the Council for the erection of 3no. 3-bedroom dwelling houses with improved children's playground facilities and approved under application Number: 19/01980/FUL on 18 October 2019.
- 10 It was originally envisaged that the Council would build out the dwellings but appraisals have indicated that it will cost SDC more to build these, depressing both land value and profit, than builders/developers bidding for the land

either by private treaty or at auction. The lot size would predominantly appeal to local builders.

- 11 The Council's intention to dispose and appropriate the site were advertised on 4 and 11 February in accordance with Local Government Act 1972. Comments from the consultation exercise were due to be reviewed, but none were received.
- 12 Officers therefore believe that the strategic objectives of the Council are best met by disposing of this site.

#### Land east Of 40 Alder Way

- 13 This site of 6,890 sq.m is currently amenity land. The north part of the site is trapezoidal with the south edge running along Alder Way. To the east and west are the existing properties of Alder Way and the north edge of this part of the site adjoins Swanley Park. The site is currently laid to grass and there is a substantial hedge on the eastern boundary that separates the site from the residential properties beyond. The site is located within the built-up area of Swanley town; not within the Green Belt.
- 14 In 2015 the site was identified as a potential development opportunity and in 2016 was also assessed under SDC's call for sites programme, considered as surplus to requirements and tendered for valuation and development advice. It was agreed that the site would offer 40% affordable housing, including one wheelchair accessible property.
- 15 A planning application was submitted by the council for the erection of 18no. 2 and 3 bedroom dwellings with new communal open space and a refurbished existing open space area including children's playground and was approved under application 20/00037/FUL on 21 August 2020.
- 16 It was evaluated as to whether SDC should build out the dwellings or sell the site. Three national agents and auctioneers were invited to provide recommendations on value and marketing. Their conclusions were that it would be best to market the site by private treaty as developers/builders would want to take their time assessing the community space and CIL elements of a bid and some might wish to amend the consent.
- 17 Given the open space associated with this site, the Council's intention to appropriate for planning purposes and dispose of the site was advertised on the 4<sup>th</sup> and 11 February in accordance with the Local Government Act 1972. There were no consultation responses.

## Agenda Item 7

- 18 Given the improvement to the public play area as noted in the planning consent, it is considered that disposal of this site remains in the Council's best interest.

### Oakhill Road, Sevenoaks

- 19 This 2.01 acre site is located at the rear of 7 Oakhill Road in a residential area of Sevenoaks. Oakhill Road is located immediately south of Sevenoaks station. The area is primarily a residential location, characterised by large detached houses. The Property is east of Oakhill Road, beyond an office building. The site is heavily vegetated with overgrown shrubs and self-seeded woodland and slopes steeply towards the railway line. The Property does not benefit from a planning consent and is held freehold under title number K470174.
- 20 As the site is disused and does not fulfil any operational requirement for the Council, it is considered surplus land. However, various options were considered for this site and an external registered valuer was commissioned to advise further and prepare a Red Book Valuation. The Council's intention to appropriate with a view to disposing of the site was advertised on 4<sup>th</sup> and 11 February and no consultation responses were received.
- 21 It was considered prudent for the Council to dispose of this site and realise a much needed capital receipt.

### Land to the rear of Sealcroft Cottages, Seal

- 22 The site consists of a c.0.4 acre site in Seal to the rear of the Sealcroft Cottages. The Council holds the freehold under Title K907890.
- 23 The site has potential to accommodate up to 4 new dwellings, however, it is located within the Green Belt.
- 24 Officers consider that the best way to unlock the site's potential is as a Rural Exception Site (Core Strategy Policy SP4). It is also noted that Seal Parish Council has a housing needs requirement following a needs survey.
- 25 The Council's Housing Team identified this parcel of land to the rear of Sealcroft Cottages, Seal that could potentially be developed for much needed affordable housing. Discussions were held with the Parish Council and with a housing association.

- 26 The Council is in agreement to use this parcel of land for much needed housing, but wishes to ensure it is disposed of in accordance with the LGA 1972 and for outstanding matters to be addressed.
- 27 The site was advertised for disposal on 4<sup>th</sup> and 11<sup>th</sup> February and consultation responses were received from two neighbours who wished to purchase part or the whole of the site.
- 28 While this site should be disposed of at market value and in accordance with the LGA 1972, given the Council's desire to promote and increase affordable housing supply in the District and in particular tied to the local affordable needs of Seal Parish, disposing of the site at less than best consideration can be supported provided the disposal is appropriately conditioned to ensure the dwellings remain affordable units in perpetuity.

#### **Other Options Considered**

- 29 Given the planning status of the Russet Way and the Alder Way sites, consideration was given to these sites being developed directly by the Council or to be sold to Quercus 7 for market rent. Whilst the transfer to Quercus 7 would secure a capital receipt for the Council, it does have tax and legal implications and would be at valuation rather than market price with the risk of not realising best consideration for the land with planning permission. SDC, through its ownership of Quercus 7, would hold the risks relating to the changing market conditions, construction costs, profit margin, market lettings and potential voids.
- 30 Sale of either or both the Russet Way and Alder Way sites to Quercus Housing for affordable housing provision was also considered. This would entail a smaller capital receipt for the Council and Quercus Housing would still hold the risks relating to construction.
- 31 Given the complexities of the Oakhill Road site, despite several development options being considered for this site, it was considered too risky for the Council to take forward its own development on this site.
- 32 Alternative use and development options for the land to the Rear of Sealcroft were also considered, but the need for affordable housing in Seal Parish was considered pressing.
- 33 The disposal of these sites as proposed minimises the Council's risks and maximises capital receipts.

## Agenda Item 7

### **Key Implications**

#### Financial

The disposal of these sites will reduce the Council's land holding costs and other liabilities.

The sites are surplus to the Council's requirements and will be treated accordingly for accounting purposes.

Valuation advice was obtained and reserve thresholds have been established.

The envisaged capital receipts will be applied towards the Council's approved Capital Programme.

#### Legal Implications

The identified sites are within the freehold possession of the Council. There are no known title encumbrances that would prevent disposal. However, encroachment issues have been noted at several sites and these matters are being rectified and regularised.

The disposal of local authority land is legislated by the Local Government Act 1972. Amongst other key requirements, this legislation places an obligation on local authorities to seek best consideration and where there is an intention to dispose of public open space to advertise and consult with local residents.

The Council is required under Section 123 of the LGA 1972 to seek best consideration for a disposal. Disposal at less than best consideration is possible and permissible subject to the exceptions outlined in legislation.

With regards to land to the rear of Sealcroft Cottages, Seal, the General Disposal Consent 2003 and Government Circular 06/2003 allows the Council to dispose land at less than best consideration, where the Council considers it will help to secure the promotion or improvement of the economic, social or environmental well-being of its area.

Other legal implications are set out in the report.

#### Equality Assessment

The decisions recommended through this paper have a remote or low relevance to the substance of the Equality Act. There is no perceived impact on end users.

### **Conclusions**

The sites identified in this report are surplus to the Council's requirements. Their disposal provides an opportunity to obtain capital receipts and to mitigate risks. The sites will be disposed of at the most opportune moment in 2021/22.
