

CHIEF EXECUTIVES OFFICE

20 APR 2020

15 April 2020

**Councillor Peter Fleming
Leader, Sevenoaks District Council
Argyle Road
SEVENOAKS
TN13 3HG**

Dear Mr Fleming,

PETITION

I enclose the petition signed by over 300 customers of the Corner Shop on the Stangrove Estate in Edenbridge regarding the perceived threat to the shop which I manage with my husband. I understand that you have now clarified the future of the shop after local rumours suggested that it was in danger of demolition.

While the immediate risk of losing the shop may be over, residents are very concerned that the shop is in very poor condition and in urgent need of rebuilding. We understand that it is the Council's intention to carry out a limited renovation of some of the worst elements of the building.

However, the petition confirms that residents are in strong agreement with our view that the complete re-building of the shop is essential. As it stands, the shop is too small for its purpose and lacks vital facilities.

We understand that recuperating the cost to the Council of rebuilding would require the construction of living accommodation above the shop. We have no objection to this.

I am happy to discuss these matters with yourself or council officers at a more convenient time in the future.

Yours sincerely

Jaswinder Tutt
