Funding Source: Funding is via the vehicle replacement fund which is financed by fixed transport charges, the sale of old vehicles and by an annual revenue contribution. Fixed transport charges include an annual replacement fund contribution as well as individual depreciation charges levied on each fleet purchase over predetermined periods.

| Other Resource Implications : | |
|-------------------------------|--|
| Staffing | Managed by Direct Services fleet management. |
| Asset Values | Approximately £9 million |
| | |

Justification:

To maintain services, mainly statutory. Supports all the Council's priorities
