- (a) To note the report

### Introduction and Background

- 1 Originally the HAT (Health Action Team) had not meet since 2018 -. The new plan was drafted in 2019 and went through a process, however it was not put into action, mainly due to the pandemic.
- 2 In May 2021 we was asked by the Portfolio Holder to put this into place and reinstate the HAT but to include Wellbeing, we had an initial meeting with partner organisations and developed the action plan. Due to us being approximately 2 months behind of the start date (April 2021) it was agreed that partners would work on this one through the meetings rather than wait for the following year as we had missed the Cabinet process. The 2022-23 plan will be put in place in time to go through Advisory and Cabinet in time for its start in April 2022
- 3 The appendix summarises the half year report of the action plan
