A Community Plan for Sevenoaks District 2022-2032

## **Welcome to Sevenoaks District Community Plan for 2022-2032.**

This Community Plan is the shared, long-term, partnership vision for Sevenoaks District developed by the Sevenoaks District Local Strategic Partnership. The partnership is made up of private, public, voluntary, community and social enterprise organisations who work with communities to identify and tackle key long, medium and short-term local issues to ensure Sevenoaks District remains a great place to live and work.

Times change, but achieving the best for those who live, work and visit Sevenoaks District remains the cornerstone of the work of the Sevenoaks District Local Strategic Partnership.

The overarching priority for the Community Plan is to increase community participation in the Sevenoaks District as a driver to improving resilience and wellbeing, focusing on those parts of the district with the poorest outcomes. The Plan highlights how adopting a collective approach can help to better achieve the ambitions of the people that live and work in the district.

Sevenoaks District has an active and vibrant voluntary and community sector that already provides a wide range of valuable services, and that makes a positive contribution to the lives of many in the district. The Community Plan wants to further strengthen the ability of these groups to have a positive impact on the district, through better co-ordination and joining up of the public and voluntary sectors on a collective set of priorities. Most importantly the Community Plan wants to encourage actions that mobilise and involve our local communities, so that they become active partners in helping us to meet the growing and changing needs of our population.

The Sevenoaks District Local Strategic Partnership (LSP) works together to improve the quality of life for people in the area and is committed to the following values which are embedded in the Strategy's action plan:

### **shared vision - shared values - collective action**

As partners, we will support the Strategy to:

- find simple and effective ways of working together that improve efficiency; make the most of resources and ensure value for money;

- ensure social, economic and environmental wellbeing is embedded in all decisions;
- promote a greater understanding and mutual respect between different sectors and sections of the community; empower local people to make a difference to improve their localities and that encourage them to believe it is both possible and worth it;
- ensure resources are used wisely, become carbon neutral, prevent pollution and waste, and conserve and enhance the environment for future generations, and;
- individual needs and aspirations, the diversity of its landscapes and neighbourhoods contribute to a high quality of life.

The Plan sets out actions for how partners can work collectively with our communities to deliver the priorities. This includes identifying and highlighting the assets in our communities, both physical spaces, as well as people and groups with skills and knowledge that can help strengthen and grow community-led activities.

The emergency response to the COVID-19 pandemic has generated very successful networks of residents, businesses, and partners working together to support the most vulnerable residents and key workers across the district. These networks can contribute to achieving the Plan's priorities in a post-pandemic world.

The Strategy is a result of a great deal of information gathering and consultation. The results have allowed us to concentrate on four priorities which the Sevenoaks District Local Strategic Partnership can best address through local partners, residents and businesses working collectively together.

## A Community Plan for Sevenoaks District 2022-2032

### Our Action Plan

#### The Action Plan

The following pages set out the overall targets for the Sevenoaks District Local Strategic Partnership. This is a rolling Action Plan and will be reviewed annually. It does not include details of the numerous activities already undertaken by partners, businesses, town and parish councils, the voluntary sector and others as part of their day-to-day work, but highlights activities in addition to core work, which partners will undertake throughout the next ten years.

#### Funding and monitoring

Funding for the actions included within the Action Plan is available from a number of sources, including partners' own budgets, and other small amounts of funding from a variety of sources. Regular monitoring will take place to ensure that individual projects continue to deliver positive results as well as value for money and that this Action Plan is on target.

#### Equalities

We recognise that everyone has a contribution to make to our society and a right to access services without being discriminated against or disadvantaged. In preparing the action plan, issues such as equality and diversity were considered. The Action Plan sets out a firm commitment by partners to:

- Increase prosperity and economic opportunity in the district which will benefit all residents;
- Ensure that services are fully accessible to all community groups;
- Ensure that work programmes are scoped to continue to target and protect the most vulnerable people in our communities;
- Recognise that people need different levels of support and services depending on their circumstances, and;
- Promote new opportunities for people living in the more deprived communities of our district, particularly through apprenticeships, training and employment opportunities, especially for young people.

## What is the Sevenoaks District like?

Sevenoaks is a large District lying to the south east of London with an overall area of just over 143 square miles (370 square km). It is long and relatively narrow measuring 20 miles north-south by about 7 miles east-west. The Thames Gateway lies to the north, Surrey and East Sussex to the west and south and the rest of Kent, including Tonbridge and Tunbridge Wells to the east and south east.

- Despite adjoining the outer edge of London it is predominantly rural with 93% of the District designated as Green Belt.
- 60% of the District is in the Kent Downs or High Weald Area of Outstanding Natural Beauty.
- 11% is covered in Ancient Woodland.
- Six main settlements - Sevenoaks, Swanley and Edenbridge, Westerham, New Ash Green and Otford.

- Train services to London take just under 30 minutes from Swanley

and just under 30 minutes from Sevenoaks.

- One hour by car to Dover port and 40 minutes by car to London airports.
- Nine miles from Swanley to Ebbsfleet International railway station.
- Sevenoaks District is perceived to be affluent but this masks local pockets of urban and rural deprivation. For example, Swanley St Mary's ward falls within the 10% most deprived wards in Kent and the South East (2015, Indices of Multiple Deprivation).
- 11.6% of children under 16 (2,465) live in low-income families in receipt of Child Tax Credit where rural deprivation is more isolating than poverty in the towns. The majority of children living in poverty (73.9%) live in lone parent families.
- According to the Kent County Council housing led population forecast projections, the population of Sevenoaks District is forecast to grow by more than 13,500 by 2028.
- The 2017 mid-year population estimates (Office for National Statistics) show that Sevenoaks District has a population of 119,400 residents and the third lowest population density in Kent measured at 3.1 persons per hectare.
- According to Kent County Council the number of people over 65 is forecast to rise by 41.1% by 2036 (10,400 people) and the number of people over 85 is forecast to rise by 97.2% by 2036 (3,500 people).
