Introduction

Background

Community Safety Partnerships were set up under the 1998 Crime & Disorder Act. Their purpose is to bring together all of the agencies in an area who can have an impact on crime, anti-social behaviour and the fear of crime. In Sevenoaks District, the Sevenoaks District Community Safety Partnership undertakes this role. Co-ordinated by the Council, its membership includes the Police, Kent Fire & Rescue Service, Kent County Council, the Probation Service, Housing Associations and others. A full list of partners is given on page 18 of this report.

The Partnership has 3 key aims. They are to:

- Reduce and detect crime
- Reduce anti-social behaviour and the fear of crime
- Strengthen community involvement

2021 Strategic Assessment

One of the Partnership's functions is to undertake an annual strategic assessment which identifies current and future community safety issues using evidence, consultation and analysis. It then puts in place a multi-agency action plan aimed at tackling the identified priority issues.

The 2021 Strategic Assessment includes a comprehensive analysis of crime and other data. This identifies local needs for 2022/23 to help the Partnership put in place its annual priorities and action plan. It was published early in April 2021 and our priorities for 2022-23 are:-

- Serious & Acquisitive Crime (incl crime trends)
- Domestic Abuse
- Anti-Social Behaviour incl Environmental Crime & Rogue Traders
- Safeguarding (incl Prevent, Mental Health, Human Trafficking, Modern Slavery, CSE (Child Sexual Exploitation, Vulnerable Adults and Protecting Children)
- Violence against Women and Girls incl Stalking & Harassment
- Drugs and County Lines

Young People is identified as a priority, as it reaches across all the above priorities. It is recommended that the 2022-23 Strategy & Action Plan resulting from this year's Strategic Assessment have actions dedicated to young people.

Annual Report

This Annual Report looks at what the Partnership and the Community Safety Unit (CSU) have achieved over the last financial year (1 April 2021 - 31 March 2022).

The Sevenoaks District Community Safety Partnership **achieved 97% of actions** in the Community Safety Strategy Action Plan during 2021/22.

COVID-19 Impact

The Pandemic is having a huge impact on the community and partner organisations and changed the way we worked over the past two years and will continue to do so.

The daily briefings continue via MS Teams. Reports continued to come into the Council, Housing Associations, Community Wardens and Police. We were still able to continue a co-ordinated approach in helping residents reporting crimes, anti-social behaviour and community safety concerns. Many of which were regarding neighbour and noise nuisance, breaches of Covid-19 guidelines and mental health concerns.

Police and SDC staff have continued to operate from the CSU albeit on a rota basis with less people in the office. All monthly meetings continued via MS Team platforms.

Visits to residents and site visits have continued throughout the last year, in a safe way for staff and residents.

Commissioned services were able to be delivered. DAVSS continued with all of their services apart from face to face during lockdown periods. Their extended telephone hour's service from 8am-1pm to 8am-4pm is still happening. All other funded projects were able to be delivered whether via a media platform such as MS Teams or Zoom.

All detached youth work was able to continue. Kenward Trust delivered throughout the year as well as West Kent Extra. KCC Youth Teams were able to do some street based work, but also did a lot of work online sessions and promoting mental health services via Facebook, Twitter & Insta Gram.

COMMUNITY SAFTY PRIORITIES FOR 2021/22 – PARTNERSHIP ACTIVITY

Anti-Social Behaviour including environmental crime

The Anti-Social Behaviour Crime & Policing Act 2014 was implemented in 2014.

The Act replaced nineteen pre-existing measures with six new measures for tackling anti-social behaviour and providing protection for victims and communities.

Between 1 April 2021 - 31 March 2022 the legislation has been used as follows:

- 3 community triggers were raised and 1 taken forward - no further action
- 4 Criminal Behaviour Order served but 4 CBO applications are awaiting court dates.
- 63 Community Protection Warnings were served
- 11 Community Protection Notice was issued
- 0 Community Protection Notice Breach that has been heard at court and defendant was convicted
- 1 Closure Order
- 19 Warning Letters specifically for vehicle use were issued because of repeat calls generated by the Sevenoaks Town Car Park

The Police in the CSU also helped by attending visits and delivering letters on the Partnerships behalf. There were 50 reports of anti-social behaviour from residents. This is a reduction of 47 reports as compared to the same period last year. However, these calls are separate to those that come into the CSU daily briefing.

The highest number of calls were concerning nuisance reported about neighbour nuisance and parking.

The Community MARAC (Multi-Agency Risk Assessment Conference) is designed to address medium and high risk victims, offenders and problem locations. The areas of work covered are:

- ASB including Disputes & Environmental Crime

- Hate related incidents
- Mental Health concerns
- Persistent offenders of crime and Disorder
- Vulnerable victims and locations including Child Sexual Exploitation, human trafficking, modern slavery and gangs
- Vulnerable adults and young persons
- Substance Misuse
- Low to Medium Risk Domestic Abuse

The meetings are chaired by the CSU Police Sargent and Vice Chair is the Community Safety Officer. This group consists of KCC Adult and Children's Services, Youth Offending Team, Probation, Housing Associations, Mental Health Services, Schools and Health Groups. On average the group discusses around 15 cases per month, of which 90% are removed within 6 months due to changed behaviour. This change is due to support and education as well as enforcement action taken.

The group have issued 31 ASB Warning Letters, 14 ABA's and 1 ABA Breach Letters

The number of incidents of ASB recorded by Kent Police in Sevenoaks District from 1 April 2021 - 31 March 2022, was 1513. This is the lowest level of Anti-Social Behaviour (ASB) in the county. Compared to previous year there has been a 44% decrease (1177 reports).

Op Liberty addressed ASB through Spring/Summer in line with the COVID ASB Action Plan set up in May 2020 and continued started again in May 2021. The group meets every 2 weeks and also works with land owners. We have designed a poster campaign and over 20 landowners took this up. Op Wallaby addressed the Euros to address ASB and licensing issues and concerns. This worked really well.

PACT (Partners & Communities Together) Panel meetings are held in Swanley, Edenbridge, and New Ash Green. The Panels consist of partner agencies including the District Council, Police, Housing Associations and local Town or Parish Councils, businesses and residents. Activities include youth projects, community litter picks and other actions to tackle local priorities. This can include Site Visits which are joint walkabouts with residents, police, local housing officers and community wardens to tackle environmental issues.

Mobile CCTV has been deployed to target ASB and criminal damage. The CSP has 7 cameras. They were deployed across the District.

Safeguarding

Prevent - The Counter Terrorism and Security Act received Royal Assent on 12 February 2016, placing the Prevent Programme on a statutory footing. Part 5 of the Act (Chapter 1 s. 26-35) places a general duty on all specified authorities to, when exercising their functions, have due regard to the need to prevent people from being drawn into terrorism.

The three specific objectives of Prevent still stand and focus on:

1. Challenging the ideology that supports terrorism and those who promote it;
2. Protecting vulnerable individuals to prevent people from being drawn into terrorism and ensure that they are given appropriate advice and support;
3. Supporting sectors and institutions where there are risks of radicalisation.

The CSU received 4 Prevent Channel Panel referrals this year. These individuals were discussed at the appropriate county-based multi-agency panels, with no further outcome, but support was given. All referrals were of individuals aged under 18.

There were Prevent Graffiti Training Events held detailing how Far Right Groups are using COVID to promote protests. This was delivered by KCC Prevent Team to partnership agencies over MS Teams.

The Town Centre Ambassadors were tasked to find, report and remove the offensive stickers. All stickers found by the TCAs were photographed and logged by the KCC Prevent team in order that they could follow any trends.

Modern Slavery and Human Trafficking legislation confers a duty on Local Authorities who must ensure that we safeguard anyone reporting that they have suffered the above.

Enforcement and Police where they believe modern slavery is taking place in properties. We have made 3 multi-agency visits to locations in response to reported concerns and have dealt with any issues arising. The visits revealed no signs of modern slavery or human trafficking and all those concerned had passports. We did however give housing advice to them and serve prohibition orders on property owners, as they were house of multiple occupancy. There has been joint visits with SDC Private Sector Housings Team, Planning

CSE (Child Sexual Exploitation). The Community Safety Manager is the CSE Champion for the Community Safety Partnership and the District Council. Our partner agencies also have CSE Champions within their own organisations.

Young People. In 2021-22, the dedicated PCSO has been able to visit schools from April 2021. She is in regular contact with schools in order to assist with any concerns they have with individual pupils and has attended to do a number of assemblies.

Tuesday 8 February 2022, was National Internet Safety Day. Interactive sessions were put on during the morning of the 8th where close to 300 pupils took part approximately 15 classes in total from all different schools. The pupils were very confident providing many good suggestions during the morning. The feedback from the teachers was that the pupils really enjoyed the morning.

All schools that took part were awarded an Amazon voucher to spend on their pupils.

Vulnerable Adults There have been a number of safeguarding referrals for older people and vulnerable adults. There is a dedicated PCSO for Vulnerable Adults working within the CSU.

There remit is to look at all concerns for vulnerable adults and repeat victims. One of the main safeguarding referrals is around self-neglect and victims of fraud (especially rogue trading).

There are a number of support services in place and referrals receive a multi-agency approach as they are referred through to the Community MARAC process, which is also comforting for the resident, as they know that the issues are being listened to.

Mental Health has been incorporated into the Community MARAC and a number of mental health cases have been raised and through partnership working specific services have been put in place.

Mental Health and especially through COVID-19 a lot of services were held on line. West Kent & North Kent Mind delivered a number of 1:1 and group sessions over Zoom. They also released a lot of information and a tool kit on how to address mental health over Social Media.

Domestic Abuse, Between 1 April 2021 and 31 March 2022 there were 2,264 reports of Domestic Abuse to the Police. This was an increase of 156 reports (6.9%) compared with the previous year. The increase is always looked as a positive that victims are phoning in and reporting Domestic Abuse and that services can be put in place. Sevenoaks District has the second lowest number of reports in the County.

Domestic Abuse Training was held in July and August 2021. This was DASH (Domestic Abuse Stalking & Harassment) Training delivered face to face basis to front line workers from Sevenoaks District Council and West Kent Housing's Housing Teams.

Cyberstalking was delivered by PAS on 29th June, 28th July and 19th August 2021.

Domestic Abuse Voluntary Support Service (DAVSS) supports any victim of Domestic Abuse who seeks help. Volunteers are trained to a high level to deal with all aspects of Domestic Abuse. They support victims including helping them through any court proceedings. The IDVA (Independent Domestic Violence Advisor) service provided by DAVSS looks at high risk cases through the Domestic Abuse MARAC (Multi Agency Risk Assessment Conference). The Partnership works closely with DAVSS and helps to fund the service for low and medium risk cases. During the year, DAVSS supported 341 victims of domestic abuse in the Sevenoaks District, an increase of 46 (13.4%) compared with the previous year. There were 17 male victims, an increased in 4.

The Community Domestic Abuse Perpetrators Programme (CDAP) is a 29 rolling week programme covering 9 modules to help men tackle their abuse. The women and children of perpetrators are supported by a Woman's Support Worker. 2 men from Sevenoaks District attended the course in 2021-22. The sessions continue via over Zoom.

The Freedom Programme is designed to help women who have been a victim of or are affected by domestic abuse. It is a 12-week programme, which runs for two hours each week usually at various locations across Sevenoaks District, again this year they were all on Zoom. We delivered 4 day programmes and 2 evening programmes, attended by a total of 51 women.

Recovery Tool Kit sessions follow on from the Freedom Programme and we ran and 2 evening and 1 day session again by Zoom. 28 women attended the programme.

Substance Misuse

The Kenward Trust provides sessions within schools and detached work to help young people understand the facts about substance misuse and help those misusing drink or drugs to change their behaviour. They run a number of initiatives using a mobile unit and interactive and visual tools to engage young people about the dangers of substance misuse, so that they will make informed and responsible choices. They are also tasked through the CSU daily briefings to attend “hot spot” locations to work with young people and identify and address substance misuse issues.

With PCC funding through the Partnership, Kenward Trust has worked with 1062 young people from 1 April 2021 - 31 March 2022.

Kenward Trust saw large numbers of young people in the main areas of West Kingsdown, New Ash Green Westerham, Greatness, Sevenoaks and the Vine, Sevenoaks. . Main areas Chipstead Lake, Vine, Greatness and New Ash Green. The main substances that were discussed were alcohol, cannabis and high energy drinks.

The teams worked with young people to educate on carrying something they are unaware of and the issue of grooming that can lead to different issues from being caught in possession of drugs or dangerous items like knives; owing the person money as they may have had the drugs stolen from them or confiscated by the police and the person wanting their money back for it that then leads into debt and working to pay the debt off. They also try to explain where this behaviour can lead to and how easily this way of life can escalate into bigger issues. Mental health is another issues among young people and their families this is due to COVID, and this is leading to more Drinking or Substance misuse and risk taking behaviour. This is something that need possible looking at how we can support young people with signs of mental health issues. Kenward Trust are aiming to get an apprentice to learn the skills of intervention outreach and train them in current issues of county lines supporting young people with signs of mental health.

CGL (Change, Live, Grow), commissioned by the Kent Drugs and Alcohol Service, provide early intervention services. This includes breakfast clubs and specialist rehabilitation services. They also undertake home visits to those with children and mobility issues.

Addaction is commissioned by the Kent Drugs and Alcohol Service for young people’s services. This includes work around legal highs and preventative work.

Acquisitive Crime incl Organised Crime Groups (OCGs), Emerging Trends and County Lines

OCGs are criminals behind organised crime often intimidate and create fear, which is intended to prevent the local community reporting what they see. Often the criminals don't even have to try hard to do this - instead relying on word of mouth and reputation. Over the past year, Organised Crime has seen a more targeted approach by Partnerships. There were no current OCGs within the Sevenoaks District. However there are 2 sites that are still monitored at the monthly Serious Crime & Tactical Group, which is a monthly multi-agency meeting to address OCGs and serious crime. The most common crime types associated with these groups is organised theft.

Acquisitive Crime includes Burglary and Vehicle Crime

There were 356 reports of Burglary Residential an increase of 26 (7.9%) compared to the same period previous year. There was also an increase of Burglary Business and Community compared to the same period last year. There were 131 reports, 16 more reports (13.9%).

Vehicle Crime

There was also decreases in Theft of Motor Vehicles of 27.9%, or 90 crimes (233 in total) during the year and Theft from Motor Vehicles of 25% or 147 crimes (423 in total).

Doorstep Crime and Fraud incl Cyber Crime

Kent County Council is currently mapping out the process for each partner agency which is involved in or takes part in, tackling of Doorstep Crime and Financial Abuse or supporting the victims of these crimes.

As part of this, data on processes and procedures are being gathered and recorded.

98% of partners have been visited and a draft recommendation for the county is currently being produced. The draft recommendations will be completed and presented to the partners before the end of 2020.

The final report with recommendations will be produced and presented before the end of Q1 2021.

The KCC Community Wardens have been inspirational in leading the way forward in gathering information, making the relevant referrals and working with the banks to make sure that any victim of a scam is protected.

The CSU are working hard in reinforcing to residents about scams and are working with Action Fraud to tackle this.

A lot of the cases have been complex, requiring a partner agency response. Many have been repeat callers dealing with issues such as mental health, neighbour disputes, harassment in the community and nuisance bikes (motor and pedal).

There have been over **816** follow up visits and calls made by partner agencies (Police, SDC, Community Wardens and Housing Associations) to all the residents who have reported issues and concerns.
